**Instant Scratch Game Winner!**

September 6<sup>th</sup> was a great day for one lucky player on St. Croix! On Wednesday, Ms. E. Hansen came into the St. Croix Retail Office for her usual Lottery game purchases of Instant Scratch Tickets and other on line games. A weekly player, Ms. Hansen stops by the St. Croix Retail Office 2 – 3 times per week to play. But last Wednesday proved to be very lucky! After purchasing her tickets, she went over to the side counter to scratch them to see what her winnings were. After scratching, she came back to the counter and asked the sales person, “Am I playing this right? Can you please check this for me?” When she was told the good news, she screamed in excitement! **She had won \$10,000!!!**

**Congratulations to Ms. E. Hansen on her \$10,000**  
**Dominoes Instant Scratch Ticket BIG WIN!**
